## Additional Information

“Sacred Alaska” is an award-winning documentary that offers an intimate look into Native Alaskan culture and spirituality. It showcases the profound influence of Orthodoxy, introduced by Russian monks in the late 18th century, on Alaskan society. The film highlights the unique way Alaskans have woven their indigenous beliefs with Orthodox traditions, deeply influencing their worldview. Central to this is the concept of learning to become a "real person." Through beautiful cinematography and powerful storytelling, "Sacred Alaska" underscores the profound, sacred bond between the Alaskan people, their faith, and the formidable landscape they call home.
